

Wise Guys make wise decisions ... about school, sex, careers and life.

Wise Guys is geared for 11-17 year old guys – It is a ten-to-twelve week program

focusing on assisting guys to answer the questions:

Who Am I? Where Am I Going? And How Do I Get There?

**GOALS OF THE PROGRAM:**

To empower young men with the knowledge they need to aid them in future decision-making ----To encourage respect for themselves, as well as others-----

To help young men understand the importance of male-responsibility, especially in the area or sexuality-----To help improve communication with their parents, peers and others.

Special presentations on sexuality, healthy relationships and sexual responsibility enhance their learning and understanding.

Sessions are designed according to appropriate age levels of 11-13 or 14-17.
