## **Request for Bids**

### **Jail Security Door Access System**

The Hall County Board of Supervisors will receive sealed bids at the office of the Hall County Clerk, Hall County Administration Building, 121 S Pine Street, Grand Island, NE, until 5:00 p.m. on Monday, March 1, 2021. The bids will be publicly opened and read at 10:15 a.m. on Tuesday, March 2, for purchase and installation of a Jail Security Door Access System.

#### **Minimum Specifications**

**The following minimum specifications are for the Security Door System for use of the Hall County Department of Corrections.** Project shall meet or exceed the following requirements:

#### **SCOPE OF WORK**

##### **Current Door Access System**

- Existing Isonas system and hardware
- Allows for card access through three (3) doors. Each door has a card reader on the exterior and a button to release the lock on the interior.
- Monitored and control by jail security system.
- Doors remain closed and locked at all times except during entry and exit.

##### **System General Requirements**

- Existing card readers will be replaced.
- All existing door hardware and locks will remain and be re-used
- System will be expanded to include an additional card reader on a security gate and additional two doors with exit buttons.
- Vendor shall be responsible for furnishing and installing and testing all equipment. Wiring will be re-used if possible but replaced if necessary. Installation of wiring will be completed by county personnel under the supervision of the vendor.
- Systems will use current door, locks, and hardware wherever possible.
- System must be compatible with current jail security system and be able to interface with the door controls.

##### **Software:**

- AccessIT Software: Require specific RS2 (AccessIT) controller licensing costs. (County already owns hosts controller) Need Enterprise licenses for administrating door controller.

## Hardware/Labor:

- Six (6) New Readers: Replace three (3) existing Isonas readers with HID readers and add 2 additional card readers and 2 exit buttons (If possible, re-use three (3) existing exit buttons). Add one card reader on exterior pedestal at entry gate.
- Termination CPU Processor board
- Card reader termination board for the 6 card readers and exit buttons.
- Install the MR-16 Input module board – which will fire a relay (dry contact) that will connect to the PLC input for that reader.
- PLC input request REX from the reader and which opens doors.
- System and software must be compatible with current jail security system. Any costs for final connection to jail system or reprogramming of the system for additional doors will be the responsibility of the purchaser.
- One hundred fifty (150) access cards with the option to provide up to 150 more at the bid price.
- Transferring all current user information of the current system to the new system.

## **FACILITY TOUR**

Vendors are strongly encouraged to make arrangements with the Dept. of Corrections to tour the facility prior to submitting the bid. Contact Assistant Director Webb at 308-385-5206, ext. 2462. COVID 19 precautions are in effect.

## **WARRANTY**

The manufacturer's usual warranty shall apply and/or shall be in effect. Vendor will warrant the system and software for a minimum period of one year from the date of project completion.

## **INSTALLATION**

Proposal will be for purchase and installation.

## **TAX EXEMPT**

Hall County is tax exempt and can provide the Nebraska Exemption Form 13.

## **EXEMPTION AND DEVIATIONS**

Provide a statement expressing understanding and willingness to comply with all provisions of the bid specification. If there are provisions of the Request for Bids that the vendor is unwilling or unable to comply with, the vendor shall identify the item and provide the reason for non-compliance. If there are provisions of the Request for Bids for which the Vendor would like to propose an alternative solution, the vendor shall identify and list the provision in its entirety and provide the alternative solution.

## NOTICE

Read this specification carefully. Any and all exceptions to this specification must be written on or attached to quotation request. Non-compliance can void your quotation.

**RIGHTS** - The Hall County Board of Commissioners reserves the right to waive all technicalities and to reject any or all bids.
