HALL COUNTY SHERIFF'S DEPARTMENT ***EMERGENCY LIGHT PERMIT APPLICATION***

In compliance with Nebraska State Statute, Section 60-6233 application is being made for a Hall County emergency light permit.

The intent of the statute pertaining to emergency lights are to allow volunteer emergency responders in personally owned vehicles to install emergency lights which can be activated if an emergency exists where the presence of the volunteer emergency responder is needed. No laws should be violated while in route. Exceeding speed limits, running red lights and stop signs are not allowed in personally owned vehicles, nor are audible sirens allowed. The lights simply let other motorists in and around the area to get out of the way and let you by.

As a part of this application we have included Nebraska State Statutes that pertains to this issue. It is imperative that the applicant reviews the attached Statute and possesses a complete understanding of the content.

Please print this document and provide the necessary information. After completion, please forward this application to the Hall County Sheriff's Office, 111 Public Safety Drive, Grand Island NE 68801.
